*NCNF has well over 100 paid members. Membership provides an opportunity to receive CE at a substantial savings. It supports future educational activities and enables us to continue providing high quality continuing education and opportunities for professional networking. Membership also includes a free subscription to Applied Neuropsychology. Please consider these benefits and join in supporting our member-run professional organization. The mailing list currently has over 200 people on it. If you do not plan to pay dues for 2011, please let us know if you wish to continue to receive these mailings.*
